and Land Use**

The Waukesha County Department of Parks and Land Use Can Provide One!

Managing our natural resources, protecting the public health or sound land use planning often begins with education. For this reason, the Waukesha County Department of Parks and Land Use can provide speakers on a variety of topics for your group, organization or classroom.

Our speakers are trained volunteers or professional staff, working with the issues every day. They can provide knowledge with practical experience.

Scheduling a speaker is easy—and it's free! To arrange for a speaker, please complete the attached form, or call the Waukesha County

Department of Parks and Land Use at (262) 896-8300. We can tailor our programs to meet your needs.

VISUAL AIDS

Videos, slides and displays are also available for some of the topics listed and may be incorporated with a speaker's presentation or checked out for use.

INTERNET

Look for our home page on the internet at www.waukesha-county.gov/landandparks. For further information call the Department of Parks and Land Use office at (262) 896-8300.
